## CKN May 2015 Birthday Newsletter

Dear CKN resident

I started this newsletter out with a lot of news around last year and the year ahead only to realise that May is CKN's birthday month.

CKN was formed some 18 years and is still going strong.

It is unfortunate that in this day and age one has to as a resident stand up against crime but the police will not get crime under control in the foreseeable. Hence it is up to us take a stand and say not in my neighbourhood.

Furthermore, only by standing together can we can make a difference where we live.

I wish to take this opportunity to thank the many, many loyal CKN members that make CKN what it is and for always being there for the committee and I. You make our lives easier when there is a need and we have less sleepless nights around finances.

Of course we want you to have a good night's sleep and not have to worry about crime.

We cannot afford to let up in our efforts in the fight against crime or let our neighbourhood deteriorate in any way.

I am sure we will still be around to celebrate our next birthday as the CKN family has grown and has become very supportive of one another.

If you are not a member, we need you.

My next newsletter will be more comprehensive but for now I trust you are getting our Blackberry or Whatsapp messages.

Stay safe and again, thank you for your support.

Only together can we make a difference

John
